Background - The Hookin2 Hockey (H2H) Journey

Whilst this document is limited to the Registration steps for the “Come & Try” and “Stick2Hockey” programs and it is worth understanding how it fits in the bigger picture. For more information about these programs check out the H2H website <http://hookin2hockey.com.au/>

The Hockey Journey outlined above is based on each player's competency level and may vary for each individual. Participants are able to enter at any stage of the journey.

H2H “Come and Try”

Come and Try is the first hockey experience a junior participant will have. It provides an action packed 1-hour session to learn the very basics of hockey and have some fun as part of individual and group hockey activities. These sessions are free of charge, however we encourage parents to complete a HockeyQLD Under 10 registration (see below) for insurance purposes.

Buderim Rebels will implement a number of "Come and Try" sessions prior to the "Stick2Hockey" program (see below).

2018 Buderim Rebels Hookin2 Hockey Program

H2H “Stick2Hockey”

During this program participants will experience a modified game format, allowing participants to develop their skills through small sided team games. It is the bridging program from Hookin2Hockey to traditional club hockey or other social forms of the game.

Buderim Rebels in conjunction with Sunshine Coast Hockey Association (SCHA) will run this program immediately after the Easter school holidays for 13 weeks until late July. This program will have more emphasis on "playing" the game of hockey and provides a weekly training (on Wed) session and weekly (on Friday) interclub games.

Hockey QLD Under 10 Registration

All participants of the Stick2Hockey program are required to register with Hockey QLD as U10 (under 10 years old) for insurance purposes.

From the club website under the “Playing and Registration” menu , choose the Hookin2Hockey menu and follow the links under the H2H Stick 2 Hockey section.

Hookin2 Hockey

Hookin2Hockey was developed by Hockey Australia to give young boys and girls the opportunity to play hockey with their friends and have fun while learning how to play. The program has been separated into three parts "Come and Try", "Skills in Action" and "Game On".

Buderim Rebels Hockey Club will use a combination of these parts to implement the complete H2H program across the 2017 hockey season.

H2H Come and Try

Come and Try is the first hockey experience a junior participant will have. It provides an action packed 1-hour session to tryout the exciting new skills and gain a love of the game that will start the hockey journey.

Buderim Rebels will implement a number of "Come and Try" sessions prior to the start of the "Stick 2 Hockey" program below. As this will be run in conjunction with the "Skill in Action" program there is no additional requirement for registration or payment.

H2H Stick 2 Hockey

During this program participants will experience a modified game format, allowing participants to develop their skills through small sided team games. It is the bridging program from Hookin2Hockey to traditional club hockey or other social forms of the game.

Buderim Rebels in conjunction with Sunshine Coast Hockey Association (SCHA) will run this program from the Easter school holidays to July. The "Stick 2 Hockey" program will provide weekly training sessions and Friday inter-club carnivals.
